- Utilized Node.js, Express.js, Dotenv, PostgreSQL, Sequelize, Render Dashboard.

PWA Text Editor | <https://github.com/Michael-Hellon/PWA-Text-Editor> | <https://pwa-text-editor-h3r0.onrender.com>

- An instabile single page text editor that runs in your browser, and features data persistence.
- Utilized Node.js, Express.js, Workbox, Webpack, and Babel

NoSQL Social Network API | <https://github.com/Michael-Hellon/NoSQL-Social-Network-API> | <https://www.youtube.com/watch?v=YDkqt9qXYJM>

- publish their blog posts and comment on other developers' posts as well.
- Utilized Node.js, Express.js, Dotenv, PostgreSQL, Sequelize, Render Dashboard.

EXPERIENCE

Supervisor | Platoon Sergeant | 601 Aviation Support Battalion

2022-2024

US Army

Fort Riley, KS

Supervised, mentored, and trained 60 personnel with different job specialties in the logistical supply of ammunition and explosives, aviation grade fuel, and the transportation of equipment in a face paced environment. Still maintain a Secret Clearance.

- Developed and executed strategies to ensure logistical support to customer base 20x our size, while maintaining optimal utilization of personnel and equipment, and training time available.
- Selected from seven other Platoon Sergeants to supervise and manage a newly formed cross organizational team to accomplish support and training objectives in a harsh environment with no injuries.
- As the Container Controlling Officer expertly planned and oversaw, the deployment of over \$30M of equipment consisting of over 100 shipping containers and over 150 military vehicles, meeting all federal and maritime transportation regulation for safety and hazardous materials.

Instructor | Non-Commissioned Officer Academy

2019-2021

US Army

Fort Liberty, NC

Provided in person and online professional military education to over 300 junior leaders on the fundamentals of leadership, while treating all individuals with dignity and respect, so that they can return to their organizations ready to lead from the front and meet the complex challenges in their operational environment.

- Consistently scored in the top 25 percent of all Instructors, averaging 93 percent on all evaluations.
- Assisted in the development and improvement of training resources and curriculum.

Logistics Manager | Petroleum Supply Sergeant

2017-2019

US Army

Fort Riley, KS

Forecasted fuel consumption, ordered and tracked fuel inventories, and audited monthly fuel reports for seven departments. While in Europe, conducted these responsibilities for 10 locations across Poland and Germany.

- Acted as central liaison for Allied NATO Forces requesting fuel, in our area of operations in Poland and Germany.
- Tracked the distribution and consumption of more than \$2M of fuel with minimal losses.

Squad Leader | Squad Sergeant

2014-2017

US Army

Fort Riley, KS

Responsible for the direct supervision of five personnel for the safe transportation, storage and distribution of fuel.

- Additional responsibilities included maintenance, storage, and installation of 150 pieces of communication equipment valued at over \$2.4M.
- Trained over 200 personnel, at company and headquarter level, on how to use five different communication platforms resulting in better preparedness and cross-communication for the organization.
